

AUCTION

**In memory of Richard Bailey
1966 -2019**

RICHARD BAILEY

Richard was a great enthusiast for all things space and science fiction and attended many HaMeX Events - especially *smallspace*.

Richard was a prolific builder of props from his favourite shows - the top one being Blake's 7.

After he died, earlier in 2019, his family donated many of his props and models to HaMeX Events, so they could be auctioned. The profits will be donated to two of his charities - Prostate Cancer UK and Animals in Need. (The latter charity took care of his dogs when Richard had to go into hospital.)

**The auction day is SUNDAY 7th July 2019,
during *smallspace 8*
Hanslope Village Hall, Newport Rd,
Hanslope, MK19 7NZ
see : www.hamex.co.uk**

entry is £5 per adult
